NYS Assessment:

The NYS ELA & Math assessments are one part of a student’s portfolio that shares information that supports teaching and learning. They measure student performance and progress of the grade level standards.

The results of these assessments:

- Provide families with information about their student’s academic achievement (strengths and areas for growth)
- Assist schools and the district in evaluating our instructional program
- Help schools to identify scholars for extra instructional support
- Measure school and district performance as part of Every Student
 - ❖ District ELA Goal 5% increase from 35% to 40%
 - ❖ District Math Goal 5% increase from 25% to 30%

NYS Assessment Calendar:
